

Case Study | The Carriage Works, Swindon

Client	Swindon Council
Main Contractor	Beard Construction, Swindon
Architect	National Design Consultancy
Contract value	£940,000

Neptune Building Services have recently completed The Carriage Works project in Swindon for Beard Construction

The works involved the renovation of an existing listed warehouse which has been converted into modern office workspace areas within Units 9,7, 3 & 5.

Our works consisted of the installation of M&E services as detailed below:

- Hot & Cold-Water Services, MVHR Ventilation systems, Comfort Cooling, Sanitary Systems,
- Electrical distribution, lighting, specialist lighting controls and small power, we will also be managing and installing specialist service to include Fire Alarms and Access Control.
