

Case Study | Dulverton House, Kings School

Client	Kings School
Main Contractor	Town & City Builders Ltd
Contract value	£340,000

Neptune Building Services were delighted to be part of the renovations team on this Grade II listed building at The Kings School, Gloucester. Dulverton House is a three storey listed building in the centre of Gloucester. The building provides both teaching accommodation and sixth form student centre.

Neptune building services were responsible for the complete design and installation of the mechanical and electrical services throughout this prestigious project which has been converted to a 6th Form Block for the pupils of Kings School. This space, including its modern design features, and commissioned art work which has been well received by the students and makes better use of the space in what was an underused building.
