

Case Study | RAF Fairford USAF HQ

Client	MOD/USAF
Main Contractor	Kier Construction
Architect	Inspire
Contract value	£514K

Neptune Building Services has recently completed a M&E installation for Kier Construction at RAF Fairford, Gloucestershire. The project was a total refurbishment of existing offices converting them into the new USAF headquarters of its European combat-readiness wing.

Neptune Building Services provided the following Services:

- Above ground drainage, domestic services, AHU systems, heating, air conditioning and kitchen ventilation.
- LV Power, lighting including emergency lighting, small power, fire alarm and structured cabling.
