

Case Study | Worcester Bosch Training Facility Rexroth

Client	Bosch Thermotechnology UK
Main Contractor	Neptune Building Services
Architect	ESDP Consultants
Contract value	£110,000

Neptune Building Services has recently completed the mechanical and electrical services to the new Heat Pump Training Labs.

We have provided the following services in this package:

- Installation of Bosch's new domestic heat pump systems comprising external & internal units;
- Installation of gas boilers and unvented cylinders.
- Complete systems for the training department to demonstrate and train installers of the benefits of their new heat pump systems.

This is one more in a line of projects that we have completed for Worcester BOSCH at their various sites across the country.
